Our Signature Project

The Schuylkill River Trail. One of our region's most treasured recreational resources, the trail will run from Philadelphia to Pottsville when complete.

Our Signature Event

The Schuylkill River Sojourn. Research shows that people who spend time paddling a river are more likely to value and protect it. This annual event draws attention to the Schuylkill River as a beautiful recreational resource.

Your donation helps us:

Build & Maintain the Schuylkill River Trail: The Schuylkill River Heritage Area has constructed 28 trail miles in Berks and Schuylkill Counties, operating and maintaining those sections without benefit of federal, state or local tax dollars. We are always working to add more trail miles.

Improve the Trail: We have worked with our partners to make the entire trail more accessible by creating a full-color trail map, a uniform sign system and improved trailheads.

Organize the Schuylkill River Sojourn: This 113-mile, weeklong event has introduced over 2,000 registrants from 20 states to paddling the river.

Manage the Schuylkill River Water Trail: Water Trail maps, signs and landings make the river more accessible and safer for recreational boaters.

Revitalize Communities: Through our Heritage Towns and Tours program we are helping Schuylkill River Trail communities become heritage tourism destinations.

Promote Recreation: Bike Schuylkill, our free bike share program, is now available in Pottstown, Phoenixville and Hamburg.

Clean the River: The Heritage Area oversees the Schuylkill River Restoration Fund, which has funded 23 projects to date that improve water quality throughout the watershed.

Support the Arts: Our annual Scenes of the Schuylkill River Heritage Area art show provides a forum for talented artists whose work celebrates the beauty of the region.

Tell the River's Story: The Schuylkill River Heritage Area Interpretive Center tells the river's story with interactive exhibits on the region's history, trails, and attractions.
